

Allocation of Your Tax Dollar In West Manchester Township

2005

	West York School District	York County	West Manchester Township
Millage	18.42	4.20	0.250
Cents	\$0.81	\$0.18	\$0.01
Tax Dollar Amt.	\$1,842	\$420	\$25.

If you were to take your tax allocation for a home assessed at \$100,000, your school taxes would amount to \$1,842.00 county taxes \$420; and township taxes \$25.00.. We simplified this even more by taking a dollar bill and equating that dollar to the portion that would represent School, County, and Township Taxes.

The .01 cent on each dollar paid to the Township supports the daily operations of your Township. Your .01 cents per dollar provides you with police protection, 24 hours a day, 7 days a week; as well as fire protection. Additionally, it helps to protect your home by enforcing zoning and plumbing codes; maintenance of our roads and traffic signals; and assists in supporting snow removal and leaf pick-up.
