Leaf Bag Collection

In order to more efficiently pick up your BAGGED leaves we are now including them in the yard waste collection and have added additional dates in October, November and December for your convenience. By designating specific dates for bagged leaves you will know exactly when your leaf bags will be picked up. Secondly, it will enable our Public Works Department to move more quickly throughout the neighborhoods vacuuming leaves you've raked to the curb. Finally, less plastic bags means a better environment. Follow these simple rules...

- Place your leaves in an empty container or biodegradable brown paper bags. **We are eliminating plastic bags.**
- Leaves placed in anything other than a biodegradable **brown paper bag** or **empty** container will not be picked up. DO NOT PUT LEAVES IN PLASTIC BAGS!!!
- Biodegradable bags can be purchased at most lawn and garden centers.
- Bagged leaves must be placed by the curb by 6:00 AM on the following dates: September 26, October 3 and 17, November 7 and 21, December 5 and 19
- An unlimited number of bags or containers may be placed at the curb on the dates listed above.
- As always leaves can be raked to the curb and the vacuum trucks will be around to pick them up, between October 26 and December 18.

Leaf Vacuum Collection Schedule

Beginning **October 26th** and continuing till **December 18th**, West Manchester Public Works will be collecting leaves. During this time frame, Public Works will provide residents with multiple collections.
Vacuum collections will not be made after December 18th.

Please rake all leaves to the curb line for collection.

DO NOT MIX STONES, BRANCHES, BRUSH, GRASS CLIPPINGS OR ANYTHING ELSE WITH YOUR LEAVES OR THEY WILL NOT BE COLLECTED.

DO NOT FLUSH WET WIPES DOWN THE TOILET

Important Trash and Recycling Information

Dear West Manchester Township Resident,

Please be advised that Penn Waste, Inc has been awarded the Solid Waste & Recycling Collection contract with West Manchester Township for the term of 1/1/20 – 12/31/22.

Please have your items placed at the curb prior to 6:00 AM. Your collection day will remain the same as your previous contract. Your weekly collection will consist of the following options below.

TRASH	RECYCLE	BULK ITEM	YARD WASTE
Two Bags or Containers Per Collection 32 gallon containers – 50 lb limit For additional bags, \$2 stickers are available at any Rutters or Weis located in the Township. Stickers should be placed on all additional garbage bags.	Unlimited (One Collection Day per week Based on your Neighborhood Schedule)	One per week (Second Collection Day)	See Collection Calendar (on page 8)

Bulk Item Guidelines

West Manchester Township residents may dispose of one (1) bulk item per week through curb side collection. Please have your bulk item available for collection at the curb by 6:00 am on your second collection day.

ACCEPTED MATERIALS – Appliances, furniture, mattresses, box springs, one (1) car tire without the rim, lawn mowers (oil and gasoline removed), plumbing fixtures such as toilets and sinks, three (3) 4 ft. rolls of carpet (tied).

NON-ACCEPTABLE MATERIALS – Electronic Waste (computers, televisions, etc.) chemicals, stains, liquids, batteries, automobile parts, hazardous waste, tires on rims, commercial/industrial waste, construction materials (drywall, brick, block, lumber, shingles, tiles, concrete). To properly dispose of these items please contact the York County Resource Recovery Center at 845-1066 or www.ycswa.com.

ADDITIONAL INSTRUCTIONS – Items which are too heavy to be lifted into a truck by two people will not be accepted. Additional trash bags are NOT considered a bulk item.

Appliances with Freon will be collected by appointment only. Please call Penn Waste at 717-767-4456 to schedule collection. (Items include but are not limited to air conditioners, refrigerators, freezers, etc.)

Yard Waste Collection Guidelines

An option for residents, is to take your yard waste to H & H General Excavating located at 660 Hanover Road, Spring Grove, 717-225-4669, at no cost. Please see their website for additional information www.h-hgenexc.com/mulch.html.

As another option for residents, you may choose to take your yard waste to the York County Resource Recovery Center, located at 2651 Black Bridge Road, 717-845-1066. Please see their website for additional information www.ycswa.com. There is a fee charged here.

Questions?

Contact West Manchester Township at 717.792.3505.

Otherwise see page 8 for the yard waste collection calendar.

Grass Clippings

Grass clippings are not permitted in your trash or yard waste pick up. The best option is to use a mulching mower and let your grass clippings work for you. Mulched grass provides moisture and nitrogen to keep your lawn looking great. If you don't have a mulching mower, low-cost conversion kits are available that fit most mowers. Another idea is to place grass clippings on your vegetable garden or around your hedges. You can also add grass clippings in a backyard compost bin. There are many varieties of bins in stores or you can make a bin of your own. As a last resort, take your grass to the Resource Recovery Center (minimum \$20 waste disposal fee). The Resource Recovery Center is located at 2652 Blackbridge Road, York, PA 17406. Additionally, please remember to remove any grass clippings that may have been blown into the road. This causes an extreme danger to people riding motorcycles and bicycles. Another issue with grass clippings is they clog up storm drains, causing drainage and flooding issues. The best way for homeowners to avoid costly lawsuits and increased homeowners insurance premiums is to discharge towards your home and away from the road.

How to Prepare Yard Waste

Prepare yard waste with any of these options:

- ❶ In a container, which can be emptied
- ❷ In a biodegradable paper bag
- ❸ Bundle it with biodegradable twine

If you choose to bundle your yard waste, please follow these instructions:

- Bundles are no longer than 5 ft. in length
- Bundles not to exceed 30 lbs. each
- Branches not to exceed 6 inches in diameter

An unlimited number of bags or bundles may be placed at the curb on the scheduled pick up day before 6:00 AM.

Please see page 8 for the Yard Waste Collection calendar.

What Type of Building Permit Do You Need? (Residential)

West Manchester Township requires permits for many types of construction and building work in residential structures. Some jobs will require only a "Zoning Permit" and other jobs will require a "Building Permit". These are separate permits with their own application forms. Zoning permits fall under Township rules and Ordinances. Building permits are for jobs that fall under the Pennsylvania Uniform Construction Code and require inspection. Keep in mind permits take time to review and process. Please allow up to seven business days for Zoning permits and three weeks for Building permits.

Examples of work

REQUIRING A ZONING PERMIT:

- Construction and/or installation of a fence.
- Construction and/or installation of a shed, unattached carport, or unattached garage, under 1,000 square feet.
- Construction and/or installation of a patio, including paver patio or porch with no roof or walls.
- Construction and/or installation of a walkway on the property other than the sidewalk along the street. (This requires a different permit.)
- Construction and/or installation of a deck where the deck is not more than 30" high.
- Widening, replacing or adding newly paved areas to an existing driveway.

Examples of work

REQUIRING A BUILDING PERMIT:

- Building an addition onto your house, including attached garages and carports.
- Above ground and inground swimming pools, even "wall-less" and portable pools! Any pool that is deeper than 18" needs a permit. If your pool is taken down every year, you need a permit to put it back up every year.
- Adding a roof to a patio, porch, or deck where the roof is attached to the house.
- Construction and/or installation of a deck where the deck is more than 30" from the ground.
- Installation of doors and windows if the new doors and windows are of a different size.
- Upgrading an electrical service.
- The addition or relocation of electrical wiring.
- Plumbing work where the "trap" seal is broken.

Examples of work

NOT REQUIRING ANY PERMIT:

- Repair to existing structures such as floorboards in a deck.
- Putting new shingles on your roof.
- Replacing or installing siding on a house.
- Replacing windows and doors with new ones of the same size.
- Replacing a garage door (however, replacing a manual door with an electric door will require an electrical permit).
- Wallpaper, carpet, tile, paint, and interior cabinetry such as kitchen cabinets.

PLEASE CONTACT THE ZONING OFFICER AT 792-3505 IF YOU ARE UNSURE WHAT KIND OF PERMIT YOU NEED!

Hiring a Contractor?

Once you hire a contractor, but at least three weeks before work is scheduled to begin, the homeowner or the contractor must apply for a permit. Building permits can take up to 15 business days because they are reviewed by a third party agency.

If the contractor applies for the permit, the homeowner must ask the contractor for the permit so it may be posted in the window of the residence. If the contractor does not get a permit, the homeowner is still legally responsible.

If you have a question as to whether a permit is needed for the work to be done or if you have a problem with the actual permit, please call the Zoning Officer, Rachelle Sampere, at 717-792-3505.

BE SURE OF THE PERMIT AND ITS COST BEFORE YOU PAY A CONTRACTOR FOR IT!

Stand up and be counted: Why the census matters?

The once-a-decade census may seem like an arcane exercise run by the far-off federal government that doesn't really impact us. But an accurate headcount does matter to us in West Manchester Township in very real ways.

We send a lot of tax money to Washington and Harrisburg, and making sure everyone who lives here is counted is one way we get our fair share of services for our tax dollars. We all know our highways and secondary roads in York County needs upgrading, and according to the Pennsylvania Complete Count Commission, the Federal-Aid Highway Program uses census data to distribute money for roads and bridges. Thanks to census information, the federal government sent Pennsylvania, in Federal Fiscal Year 2017, more than \$1.68 billion for maintenance of highways and construction and repair of bridges.

Our tax dollars also help pay for medical coverage for seniors and children, partly based on census figures. A George Washington Institute of Public Policy study estimates Pennsylvanians were undercounted by about 1 percent last census, and this cost us almost \$222 million over the decade, including \$84 per person for Medicare Part D, to help seniors pay for prescriptions, and \$29 for every child covered by the popular CHIP insurance.

Overall, Pennsylvania gets about \$2,093 returned to us from our federal taxes per year for every person counted in the census. This adds up to about \$270 billion over a decade, not money we want to leave on the table by being undercounted.

In fact, government officials at all levels—our school district, township, state and federal governments—use census information to make decisions that impact our lives every day. These decisions include planning for education, transportation and other infrastructure, and emergency preparedness.

A major new hospital just opened in our township. Medical facilities,

universities, and utilities all use census data to track public health, design curricula, and provide other services.

The entire business community uses information such as total population, household income, education level, and other demographics to decide where to locate and expand. Workforce development plans based on the census help make sure our workers have the skills to fill available jobs. This information is vital to keep our community growing.

How strong a voice we have in DC and Harrisburg also relies on the census count. Congressional, state senate and state house districts are all drawn based on population. Pennsylvania is projected to lose one congressional seat after 2020 because our state is growing more slowly than some in the south and west, but keeping a district centered on York County depends on everyone being counted. Because our area is growing faster than many others in Pennsylvania, York County gained a state house seat after each of the last few censuses, and may be able to do so again, and have two state senate seats largely in the county after 2020.

Our planning commission works with township staff each month to review residential and business land developments, consider zoning requests, and indeed plan for continued growth while keeping our community a great place to live, work, play, and raise a family. In order for us, as well as our schools and leaders in Harrisburg and Washington, and the business community, to make decisions benefitting all of us, we need information provided by an accurate census.

When the census form comes to your home next spring, make sure you fill it out. Encourage your friends and neighbors to do the same.

Stand up and be counted West Manchester Township. We have a community to be proud of, and we need to let the country know just how many of us love living here!

MESSAGE FROM THE FIRE CHIEF

WEST MANCHESTER TOWNSHIP FIRE DEPARTMENT

HOLIDAY COOKING SAFETY

The kitchen is the heart of the home, especially during the holidays. Kids love to be involved in holiday preparations so safety in the kitchen is vital. Here are some useful safety tips to help you and your family enjoy the start of the holiday season:

- Stay in the kitchen when you cook on the stovetop so you can keep an eye on the food.
- Stay in the home when cooking turkey and ham.
- Keep children away from the stove. The stove will be hot, so kids should stay 3 feet away.
- If frying a turkey, do so on a non-combustible surface.

The holidays are approaching and with them comes time to celebrate, give thanks and reflect. The holidays are also a time to pay special attention to your safety. As we start to approach the cooler months, many of us start longing for the cozy warmth of a fire in a woodstove or fireplace. This is the time to think ahead to cold winter nights and burning wood safely.

If you have a fireplace, be sure to have the chimney cleaned before using it this season and remove any clutter which may have accumulated on or near the stove or fireplace. Check your chimney to be sure that the bricks and mortar are in good condition.

One of the most important parts of safety going into the fall is checking smoke alarms at your home or business. Even those people without fireplaces will start up their furnaces very soon for the cold season. Before doing so, test all of the smoke alarms and be sure that each room has at least one smoke alarm.

Let's make this a truly safe and happy time of year. For more information on fire safety at home or at the office visit us on facebook, or feel free to contact my office at 717-792-3505 or email at claughman@wmtwp.com.

Tax Information

Cheryl Niehenke, Tax Collector-717-793-9651-westmanchester.wix.com/taxcollector

The West Manchester Township Tax Collector is located in the municipal complex at 380 East Berlin Road. The office is open to the public on the following weekdays:

Tuesdays 9:00 AM - 1:00 PM - Wednesdays 9:00 AM - 1:00 PM - Thursdays 9:00 AM - 1:00 PM

***Note*: Additional hours during the DISCOUNT period for the County/Municipal Real Estate tax and the School tax is listed on the insert you receive with your tax bill.**

Other times are available by appointment, please call 793-9651. If the Tax Office is closed and you wish to make a payment, there is a secure after hours mailbox located on the building beside the Tax Collector's entrance door. Credit will be given for payment on that date. If you place your payment in the after hours mailbox or mail your payment, and would like a copy of your paid receipt, please enclose a self-addressed stamped envelope with your bill.

Additionally, please include your **PHONE NUMBER** on your **BILL or CHECK**.

BILL PAY. Bill Pay from your bank account is discouraged, as many times these checks are not received in a timely manner resulting missing a deadline. If you choose to use bill pay allow adequate time for processing. Make sure the check is identifiable to your property. Since the bill will not accompany the check, a bill number or parcel number should be listed on the check. If the check cannot be

identifiable to your property, proper credit cannot be given to your account.

POSTAL SERVICE MAIL DELIVERY DELAYS.

The timeliness of mail delivery service state wide has significantly changed. If you are mailing a payment close to the payment deadline be sure to allow extra time for your payment to be processed by the post office. Mail is not always postmarked the day it is mailed. Even though you place your payment in the mail on a specific date, it is not guaranteed it will be post marked on the day you mail it. Allowing enough time for the postal service to process the mail will eliminate your payment being received after the payment deadline. The tax office accepts POST MARK not date on check.

POST DATED CHECKS NOT ACCEPTED. The tax office does not accept post-dated checks or hold payments. There is a high volume of incoming mail received on a daily basis, which leaves a margin for error of your post-dated payment being processed. This could result in payment being returned from the bank for insufficient funds, at which time fees occur.

Payments received with a post-dated check will be returned.

CLOSINGS. The office voicemail message is updated with any additional office closings or delays. This information can also be found on the tax collector website - www.westmanchester.wix.com/taxcollector.

If you have moved or will be moving, please notify the tax office so that the records can be updated to ensure that the tax bills are sent to the correct address/owner in a timely manner. INSTALLMENT PAYMENT INFORMATION

The school tax installment payment plan can be somewhat confusing. Below is an explanation of how the installment payment plan works.

The School tax bill consists of two separate sections. The first section (**salmon colored portion of bill**) is used if you are paying the entire tax bill at one time **OR** the remaining portion (**white color**) of the bill will be used if you wish to pay your school tax bill by three separate installment payments.

Installment payments are optional for School Taxes only. If you wish to pay your school tax by the installment plan, you will use the three coupons that are labeled *Installment 1*, *Installment 2* and *Installment 3*. The first payment must be received by the August 31st deadline. If the first installment payment is not received by the deadline, the installment payment plan is no longer optional and full payment for the entire tax bill is required.

If you use the installment payment plan, pay close attention to the dates on the three separate installment coupons, **please be sure to send the correctly dated coupon**.

Installment #1 – Due date – 8/31/2020

Installment #2 – Due date – 9/30/2020

Installment #3 – Due date – 10/31/2020
