West Manchester Township residents may dispose of one (1) bulk item per week through curb side collection. Please have your bulk item available for collection at the curb by 6:00 am on your second collection day.

ACCEPTED MATERIALS – Appliances, furniture, mattresses, box springs, one (1) car tire without the rim, lawn mowers (oil and gasoline removed), plumbing fixtures such as toilets and sinks, three (3) 4 ft. rolls of carpet (tied).

ADDITIONAL INSTRUCTIONS – Items which are too heavy to be lifted into a truck by two people will not be accepted. Additional trash bags are NOT considered a bulk item.

Yard Waste Collection Guidelines

An option for residents, is to take your yard waste to H & H General Excavating located at 660 Hanover Road, Spring Grove, 717-225-4669, at no cost. Please see their website for additional information www.h-hgenexc.com.

As another option for residents, you may choose to take your yard waste to the York County Resource Recovery Center, located at 2651 Blackbridge Road, 717-845-1066. Please see their website for additional information www.ycswa.com. There is a fee charged here.

Questions?

Contact West Manchester Township at 717.792.3505.

Otherwise see page 9 for the yard waste collection calendar.

Grass Clippings

Grass clippings are not permitted in your trash or yard waste pick up. The best option is to use a mulching mower and let your grass clippings work for you. Mulched grass provides moisture and nitrogen to keep your lawn looking great. If you don't have a mulching mower, low-cost conversion kits are available that fit most mowers. Another idea is to place grass clippings on your vegetable garden or around your hedges. You can also add grass clippings in a backyard compost bin. There are many varieties of bins in stores or you can make a bin of your own. As a last resort, take your grass to the Resource Recovery Center (minimum \$20 waste disposal fee). The Resource Recovery Center is located at 2651 Blackbridge Road, York, PA 17406. Additionally, please remember to remove any grass clippings that may have been blown into the road. This causes an extreme danger to people riding motorcycles and bicycles. Another issue with grass clippings is they clog up storm drains, causing drainage and flooding issues. The best way for homeowners to avoid costly lawsuits and increased homeowners insurance premiums is to discharge towards your home and away from the road.

How to Prepare Yard Waste

Prepare yard waste with any of these options:

- 1 In a container, which can be emptied
- 2 In a biodegradable paper bag
- 3 Bundle it with biodegradable twine

If you choose to bundle your yard waste, please follow these instructions:

- Bundles are no longer than 5 ft. in length
- Bundles not to exceed 30 lbs. each
- Branches not to exceed 6 inches in diameter

An unlimited number of bags or bundles may be placed at the curb on the scheduled pick up day before 6:00 AM.

Please see page 9 for the Yard Waste Collection calendar.

5 Easy Steps To Winterize Your Rain Barrel

It only takes 15 minutes, but it could save you a lot of money and headache in the long run to winterize your rain barrel before Pennsylvania's cold winter sets in. These five easy steps will ensure your rain barrel will last for years to come, helping reduce stormwater runoff to your local waters!

- 1) Drain all the water out of the barrel before the first hard freeze
- 2) Detach the barrel from the downspout and reconnect the downspout to send stormwater away from your home. Consider cleaning out your gutters at this time to remove leaves and debris
- 3) Remove hoses and spigots from the rain barrel as desired, remove and clean mesh components
- 4) Rinse the rain barrel to remove any debris built up over the year
- 5) Store the barrel. Bring it inside or keep it out of sunlight and turn it upside-down to prevent water from entering.

Do not lose your beloved rain barrel to winter's harsh conditions! Winterize it now before the cold sets in.

Hiring a Contractor?

Once you hire a contractor, but at least three weeks before work is scheduled to begin, the homeowner or the contractor must apply for a permit. Building permits can take up to 15 business days because they are reviewed by a third party agency. If the contractor applies for the permit, the homeowner must ask the contractor for the permit so it may be posted in the window of the residence. If the contractor does not get a permit, the homeowner is still legally responsible.

If you have a question as to whether a permit is needed for the work to be done or if you have a problem with the actual permit, please call the **Zoning Officer, Rachelle Sampere, at 717.792.3505. Be sure of the permit and its cost before you pay a contractor for it!**

Nothing But Rain In The Drain!

If you notice any dumping, spills or anything other than rain or rainwater flowing into storm inlets; or to drains or streams, or observe pollution events or pollutants entering a stream or fishkills, please call the hotline.

What Type of Building Permit Do You Need? (Residential)

West Manchester Township requires permits for many types of construction and building work in residential structures. Some jobs will require only a "Zoning Permit" and other jobs will require a "Building Permit". These are separate permits with their own application forms. Zoning permits fall under Township rules. Building permits are for jobs that fall under the State Building Code and require inspection. Keep in mind permits take time to review and process. Please allow up to seven business days for Zoning permits and three weeks for Building permits.

Examples of work

REQUIRING A ZONING PERMIT:

- Construction and/or installation of a fence.
- Construction and/or installation of a shed, unattached carport, or unattached garage, under 1,000 square feet
- Construction and/or installation of a patio, including paver patio or porch with no roof or walls.
- Construction and/or installation of a walkway on the property other than the sidewalk along the street. (This requires a different permit.)
- Construction and/or installation of a deck where the deck is not more than 30" high.
- Widening, replacing or adding newly paved areas to an existing driveway.

Examples of work

REQUIRING A BUILDING PERMIT:

- Building an addition onto your house, including attached garages and carports.
- Above ground and in ground swimming pools, even "wall-less" and portable pools! Any pool that is deeper than 18" needs a permit. If your pool is taken down every year, you need a permit to put it back up every year.
- Adding a roof to a patio, porch, or deck where the roof is attached to the house.
- Construction and/or installation of a deck where the deck is more than 30" from the ground.
- Installation of doors and windows if the new doors and windows are of a different size.
- Upgrading an electrical service.
- The addition or relocation of electrical wiring.
- Plumbing work where the "trap" seal is broken

Examples of work

NOT REQUIRING ANY PERMIT:

- Repair to existing structures such as floorboards in a deck.
- Putting new shingles on your roof.
- Replacing or installing siding on a house.
- Replacing windows and doors with new ones of the same size.
- Replacing a garage door (however, replacing a manual door with an electric door will require an electrical permit).
- Wallpaper, carpet, tile, paint, and interior cabinetry such as kitchen cabinets.

PLEASE CONTACT THE ZONING OFFICER AT 792-3505 IF YOU ARE UNSURE WHAT KIND OF PERMIT YOU NEED!

Snow And Ice On Sidewalks

Do not shovel or blow snow into public streets. It is against the law, defeats the purpose of snow plowing, and causes unsafe conditions for all drivers. All shoveled or blown snow should be piled in your yard or property.

To remove snow properly, snowplows may make several trips up your street. We recommend you do not shovel the end of your driveway open until the street is completely open and the truck has moved on.

Any person owning property along a street or highway in West Manchester Township is required to remove the snow and ice from the sidewalks at least 24 inches wide for the entire length of their property. The path must be cleared within eight hours after the snow/ice has stopped. If the snow/ice stops after 10 PM, sidewalks must be cleared by 10 AM the next morning.

Snow and ice may NEVER be thrown, pushed, cast, blown, shoveled, plowed or dumped into the street.

* The above violations may result in a fine up to \$600. *

Mt. Zion Lodge #74

Did you know Queen Elizabeth was a member of the Odd Fellows?
(and more importantly we think she would have loved our tee ball program)

We are grateful for the support of the Independent Order of Odd Fellows, Mount Zion Lodge, #74!

They are located right here in West Manchester Township! The lodge is located at 525 Greenwood Road. They were chartered in York in 1842. Consequently, they have been doing great stuff for centuries. They are a benevolent fraternal organization composed of men and women, who seek to improve and elevate the character of mankind by promoting friendship, love, truth, faith, hope, charity, and universal justice. One of their prime missions is to promote the well-being of youth. (Are you seeing the connection of this group and our tee ball program)? We are so fortunate to have them in our community and more importantly to partner with our Parks and Recreation Department.

In addition to their regular Lodge Meetings, they hold several fundraising and fraternity strengthening events throughout the year. They are seeking people that want to become involved in a variety of community and philanthropic activities. I'm hoping we might have a few parents in our tee ball group that might consider joining this outstanding group. They will be at some of our practices, so please remember to thank them and inquire about joining. If you have questions about this great organization in our community please call them at 717-792-3394.

Coaches (aka Mom and Dad) we need your help. We can't do this program without you. If you can throw a ball, catch a ball, move around the bases and like to have fun with the best tee ballers on the east coast please sign up using the registration form on page 16. Rent A Kid Program

This program provides an opportunity for middle and high school students, in grades 7 through 12, to assist older adults in completing routine light-duty household chores and yard work such as mowing lawns and shoveling snow. The goal of the Rent-A-Kid program is not only to get an important job done, but also to foster friendships between older adults and youth.

Adults age 60 and older in need of assistance with chores can call the Rent-A-Kid coordinator who will provide names and phone numbers for youth in their area. It is the responsibility of the older adult to contact the youth and discuss the job to be done, when it is to be done, the rate of pay for the job, and any other arrangements that need to be made.

Recommended pay rate is at least minimum wage. However, depending on the type of work and the ability of the older adult to pay, the youth may negotiate a more satisfactory rate of pay.

Youth interested in the Rent-A-Kid program should contact their school guidance counselor or call the Coordinator at York County Agency on Aging for an application at 717-771-9103.

West Manchester Township Fire Department's Father-and-Son Volunteer Firefighting Duo

Joining the West Manchester Township Fire Department was an easy decision for Duane Moyer. "I really liked what I was hearing about the department and how professionally it operated," said Duane, who recently moved to the area.

"Once I joined, I saw how nice the atmosphere was and how many knowledgeable people are in the department, willing to help you get settled."

In addition to bringing over 10 years of fire service experience with him to the department, Duane also brought his 16-year-old son, Kylinn, who was inspired to join because of his father.

Kylinn has been a junior firefighter for just over a month, and has participated in weekly training drills with the department.

"I look forward to going to the station and meeting new people while also learning in general. You get so much experience becoming a junior firefighter, and you also get to save lives," said Kylinn.

He is eager to continue to learn the ropes of the fire service, and it has been a gratifying experience for his father to witness unfold.

"It is exciting to see his enthusiasm for the fire service," said Duane.

Is it in YOU to volunteer with the West Manchester Township Fire Department?

The volunteer fire department offers various volunteer opportunities, and they include:

FIREFIGHTER: Learn how to respond to emergencies, help save lives and protect property. Must be at least 18-years-old and possess interior firefighting certification to join.

FIRE POLICE: Ensure the safety of firefighters going to and from the fire scene by directing traffic.

JUNIOR FIREFIGHTER: Assist firefighters at the scene of an emergency and develop skills for the future. Must be at least 14-years-old to join.

ADMINISTRATIVE MEMBER: Assist with vehicle maintenance, fundraising, helping out at community events, teaching children about fire safety and more.

Training and gear provided at no cost!

Sewer Rate

For calendar year 2024, there will be a sewer rate increase. The data has indicated a need for an increase. However, I remain optimistic that the max increase by 2027 will be significantly less.

The Township Finance Department continues to evaluate the billings from PA American as previously advised. I hope to better determine rates by the middle of 2024.

Free Income Tax Preparation for the 2024 Tax Season

The AARP Foundation Tax-Aide Program is again offering FREE tax service for York County taxpayers, especially adults 50 and older with low or moderate income, during the 2023 tax season.

Last year in York County, nearly 100 volunteers filed more than 4,000 Federal, PA and local income tax returns at 16 different locations throughout York County.

There is no fee and AARP membership is not required. Taxpayers should bring their photo ID and proof of their

social security or ITIN numbers for anyone on the tax return, including children or other claimed dependents. Also, last year's tax return is helpful, if it's available.

AARP Tax-Aide volunteers can prepare most personal income tax returns, including those with basic self-employment income. They are not trained to do business returns such as corporate, partnership, limited partnership, farm income, or rental income. These types of returns are beyond the scope of the Tax-Aide program.

Beginning mid-January 2024, you can make an appointment by calling these locations or online at <https://www.yorkaarptaxaide.com/>.
