

Derry and Cedar Road Natural Gas Infrastructure Replacement Project

The Derry and Cedar Road Natural Gas Infrastructure Replacement Project is part of a comprehensive replacement plan to upgrade the aging gas pipelines in West Manchester Township.

Project plans consists of:

- Approximately 11,035 linear feet of mainline pipe will be replaced
- Approximately 99 customers will have service lines upgraded
- Pipeline replacement work will take place on the following streets:
Church Road, Windcrest Road, Log Cabin Road, Derry Road, Cedar Road, Sycamore Road, Birch Road, and Chestnut Road.
- Hours of operation will be 7:00 a.m. – 5:00 p.m. Monday through Friday. Holidays excluded.
- Lane closures and detours will be in effect only during work hours.
- Project is tentatively proposed to begin in April 2024 and is estimated to take approximately six months to complete
 - *Project duration may be impacted by weather and/or unforeseen construction impediments in existing ground conditions*
- Customer properties will be restored to pre-project conditions following the completion of main and service line work. Road, sidewalk and other right-of-way restoration will be completed using reasonable local municipal standards or PennDOT's standards of restoration.
- Work will be performed by Columbia Gas of Pennsylvania contractor Kinsley Construction.

Derry and Cedar Natural Gas Infrastructure Replacement Project

Project Map

At Columbia Gas of Pennsylvania, we see our pipeline replacement program as an investment in the communities we serve. Required to enhance the safe and reliable system we currently operate, the upgrades Columbia Gas is doing now are part of our ongoing commitment to reliably deliver natural gas, safely and efficiently, for generations to come.
