

The background of the entire page is a photograph. The top portion shows a modern, multi-story building with large windows and a flat roof, partially obscured by a semi-transparent orange banner. Below the banner, the scene transitions into a lush autumn landscape. A large tree with vibrant orange and yellow leaves hangs over a grassy area. In the foreground, two black Adirondack chairs sit on a lawn covered with fallen orange leaves, with a single pumpkin placed on a small table between them. The background is filled with more trees in various shades of green and yellow, suggesting a park or a large property.

Basic Residential Trash & Recycling Guidelines

All items must be curbside **BEFORE** 6 AM on the day of your collection.

The safe rule of thumb is put it out the night before.

GENERAL INFORMATION

- For any issues/questions regarding your collection, or to order mobile carts please contact the Township office at 717-792-3505. If your trash/recycling is not collected by 4 p.m. on your pickup day, please notify the Township immediately.
- For collection delays and updates, please sign up for the Township text alert by texting "Hello" to 1-855-976-9968. You can also receive email notifications from Penn Waste by signing up on their website.

TRASH GUIDELINES

- **Effective January 1, 2025, one, 64-gallon mobile cart will be collected two times a week on your specified collection day. All residents and commercial businesses utilizing Township trash must use a Penn Waste provided mobile cart.** As of January 1st, trash bags and other garbage cans will not be collected curbside. Penn Waste will still accept additional bags if you purchase and place on your extra bag an orange sticker. These stickers cost \$2.00 and are available at all Rutter's in the Township and the West Manchester Township office at 380 E. Berlin Road.
- Mobile carts, extra bags, and large items cannot be sitting against any personal property of the homeowner. Example: mailbox, car, lamp post, utility pole, etc. Items against property will not be collected.
- No Construction Debris will be collected curbside.
- **Effective January 1, 2025, residential passenger vehicle tires without a rim will require an additional \$2.00 sticker to be purchased and placed on the tire.**

RECYCLING GUIDELINES

- **Effective January 1st, all residents and commercial businesses utilizing Township recycling must use a Penn Waste provided mobile cart for all your recycling items.**
- **Plastic bags will NO LONGER be accepted as the facility cannot process them.**
- Recycling is collected once a week on your specified collection day.
- Please refer to page 6, for recycling guidelines.
- Please refer to page 8, for the Yard Waste calendar and page 5, for yard waste guidelines.

BULK ITEM GUIDELINES

- Bulk items are collected once a week on your second collection day. Please refer to page 7, for guidelines. Bulk items are collected by a different truck and will typically get picked up in the afternoon.
- If laying a large item out that contains glass, please put tape in an "X" shape on both sides of glass.

Leaf Vacuum Collection Schedule

Beginning Monday, October 20th and continuing until Wednesday, December 10th, West Manchester Public

Works will be collecting organized leaf piles along the curb. During this time, Public Works will provide residents with multiple collections.

Any leaf piles put out AFTER December 10th will not be collected and will be the responsibility of the owner to dispose of appropriately.*

Please follow these DO's and DON'Ts to help for a smooth leaf season....

- **DO** put leaves in organized piles. Leaves raked or blown randomly onto the street will not be collected.
- **DO** put leaf piles as close to the curb as possible. Leaf piles that cannot be reached with the collection hoses will not be collected.
- **DO NOT** put leaf piles near intersections. These piles create dangerous traffic situations during collection and put both lives and equipment at great risk.
- **DO NOT** put branches, sticks, decorative grasses, or corn stalks in leaf piles. These items will jam the leaf collection machines and put the equipment out of service.
- **DO NOT** put grass clippings in leaf piles. Leaf collection is only for leaves.

- **DO NOT** put leaf piles around obstructions, such as telephone poles or mailboxes. This makes collection difficult and may result in damage to the collection hoses or the mailbox.
- **DO NOT** put leaf piles near any parked cars. Leaf trucks cannot get close enough for collection without risking potential damage to the parked car and will be left in place.
- **DO NOT** put pet waste in leaf piles. These piles will be avoided.
- **DO NOT** put leaf piles on top of decorative stone areas, or on any blocks, bricks, or stones. These items may cause serious damage to the leaf collection machines and cause potential harm to those operating the equipment.
- **DO NOT** put leaf piles on, or near, storm catch basins. Clogged grates and basins may result in street flooding and create hazardous situations.

**An appropriate way to dispose of your leaves is through the monthly Yard Waste Collection Service. Please see the calendar on page 8, of this edition. This is a year-round service. The last collection date in 2025 will be on December 27th. The 2026 Winter edition will have an updated calendar. It is important you follow the directions for yard waste preparation. See page 5, for instructions on "How to Prepare Yard Waste".*

Yard Waste Collection Guidelines

An option for residents, is to take your yard waste to H & H General Excavating located at 660 Hanover Road, Spring Grove, 717-225-4669, at no cost. Please see their website for additional information www.h-hgenexc.com.

As another option for residents, you may choose to take your yard waste to the York County Resource Recovery Center, located at 2651 Blackbridge Road, 717-845-1066. Please see their website for additional information www.ycswa.com. There is a fee charged here.

Questions?

Contact West Manchester Township at 717.792.3505.

Otherwise see page 8 for the yard waste collection calendar.

Grass Clippings

Grass clippings are not permitted in your trash or yard waste pick up. The best option is to use a mulching mower and let your grass clippings work for you. Mulched grass provides moisture and nitrogen to keep your lawn looking great. If you don't have a mulching mower, low-cost conversion kits are available that fit most mowers. Another idea is to place grass clippings on your vegetable garden or around your hedges. You can also add grass clippings in a backyard compost bin. There are many varieties of bins in stores or you can make a bin of your own. As a last resort, take your grass to the Resource Recovery Center (minimum \$20 waste disposal fee). The Resource Recovery Center is located at 2651 Blackbridge Road, York, PA 17406. Additionally, please remember to remove any grass clippings that may have been blown into the road. This causes an extreme danger to people riding motorcycles and bicycles. Another issue with grass clippings is they clog up storm drains, causing drainage and flooding issues. The best way for homeowners to avoid costly lawsuits and increased homeowners insurance premiums is to discharge towards your home and away from the road.

How to Prepare Yard Waste

Prepare yard waste with any of these options:

- ❶ In a container, which can be emptied
- ❷ In a biodegradable paper bag
- ❸ Bundle it with biodegradable twine

If you choose to bundle your yard waste, please follow these instructions:

- Bundles are no longer than 5 ft. in length
- Bundles not to exceed 30 lbs. each
- Branches not to exceed 6 inches in diameter

An unlimited number of bags or bundles may be placed at the curb on the scheduled pick up day before 6:00 AM.

Please see page 8 for the Yard Waste Collection calendar.

What Type of Building Permit Do You Need? (Residential)

West Manchester Township requires permits for many types of construction and building work to residential structures. Some jobs will require only a "Zoning Permit" and other jobs will require a "Building Permit". These are separate permits with their own application forms. Zoning permits fall under Township rules and Ordinances. Building permits are for jobs that fall under the Pennsylvania Uniform Construction Code and require inspection. Keep in mind permits take time to review and process. Please allow up to seven business days for Zoning permits and three weeks for Building permits.

Examples of work

REQUIRING A ZONING PERMIT:

- Construction and/or installation of a fence.
- Construction and/or installation of a shed, unattached carport, or unattached garage, under 1,000 square feet.
- Construction and/or installation of a patio, including paver patio or porch with no roof or walls.
- Construction and/or installation of a walkway on the property other than the sidewalk along the street. (This requires a different permit.)
- Construction and/or installation of a deck where the deck is not more than 30" high.
- Widening, replacing, repaving or adding newly paved areas to an existing driveway.

Examples of work

REQUIRING A BUILDING PERMIT:

- Building an addition onto your house, including attached garages and carports.
- Above ground and inground swimming pools, even "wall-less" and portable pools! Any pool that can hold 18" needs a permit. If your pool is taken down every year, you need a permit to put it back up every year.
- Adding a roof to a patio, porch, or deck where the roof is attached to the house.
- Construction and/or installation of a deck where the deck is more than 30" from the ground.
- Installation of doors and windows if the new doors and windows are of a different size.
- Upgrading an electrical service.
- The addition or relocation of electrical wiring.
- Plumbing work where the "trap" seal is broken.

Examples of work

NOT REQUIRING ANY PERMIT:

- Repair to existing structures such as floorboards in a deck.
- Putting new shingles on your roof.
- Replacing or installing siding on a house.
- Replacing windows and doors with new ones of the same size.
- Replacing a garage door (however, replacing a manual door with an electric door will require an electrical permit).
- Wallpaper, carpet, tile, paint, and interior cabinetry such as kitchen cabinets.

PLEASE CONTACT THE ZONING OFFICER AT 792-3505 IF YOU ARE UNSURE WHAT KIND OF PERMIT YOU NEED!

Hiring a Contractor?

Once you hire a contractor, but at least three weeks before work is scheduled to begin, the homeowner or the contractor must apply for a permit. Building permits can take up to 15 business days because they are reviewed by a third party agency.

If the contractor applies for the permit, the homeowner must ask the contractor for the permit so it may be posted in the window of the residence. If the contractor does not get a permit, the homeowner is still legally responsible.

If you have a question as to whether a permit is needed for the work to be done or if you have a problem with the actual permit, please call the Zoning Officer, Rachelle Sampere, at 717-792-3505.

York County Area Agency on Aging

717-771-9008

This project was supported, in part by grant number 905APG0059-03-00, from the U.S. Administration for Community Living, Department of Health and Human Services, Washington, D.C. 20201. Grantees undertaking projects under government sponsorship are encouraged to express freely their findings and conclusions. Points of view or opinions do not, therefore, necessarily represent official Administration for Community Living policy.

Rent A Kid Program

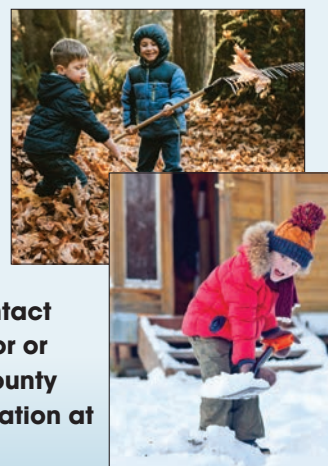

This program provides an opportunity for middle and high school students, in grades 7 through 12, to assist older adults in completing routine light-duty household chores and yard work such as mowing lawns and shoveling snow. The goal of the Rent-A-Kid program is not only to get an important job done, but also to foster friendships between older adults and youth.

Adults age 60 and older in need of assistance with chores can call the Rent-A-Kid coordinator who will provide names and phone numbers for youth in their area. It is the responsibility of the older adult to contact the youth and discuss the job to be done, when it is to be done, the rate of pay for the job, and any other arrangements that need to be made.

Recommended pay rate is at least minimum wage.

However, depending on the type of work and the ability of the older adult to pay, the youth may negotiate a more satisfactory rate of pay.

Youth interested in the Rent-A-Kid program should contact their school guidance counselor or call the Coordinator at York County Agency on Aging for an application at 717-771-9103.

10th Annual Truck-or-Treat by WMTFD

Stop out at Loman Park during the West Manchester Township Trick-or-Treat on Friday, October 31st from 6pm – 8pm and meet with the WMTFD Firefighters, tour the Fire Trucks, and get a special treat.

11th Annual Santa Tour

The West Manchester Township Fire Department has received word from The North Pole that Santa has once again chosen to tour the Township in a Fire Truck.

He will be touring all parts North of Route 30 on December 20th and South of Route 30 on December 21st. Watch for updates on facebook on those evenings.

WEST MANCHESTER TOWNSHIP FIRE DEPARTMENT OFFERS FREE SMOKE & CARBON MONOXIDE DETECTORS

Do you have working smoke detectors in your home? Are your detectors less than 10 years old? Do you have one on each level and one in each bedroom? If you answered no to any of these questions, then WMTFD can help!

The West Manchester Township Fire Department received a grant from FEMA to provide combination smoke & carbon monoxide detectors to its residents. Residents should have smoke detectors on each level of their home, including the basement and attic as well as one in each bedroom and outside the sleeping area.

Residents may stop by the Township office to pick up their smoke & carbon monoxide detectors during normal business hours. Residents may take as many as they need to make their home compliant with NFPA guidelines. You may also request a member of the WMTFD to come out and perform a safety inspection of your home and install the detectors for you.

Each smoke detector provided is a combination smoke/carbon monoxide detector that has a sealed lithium-ion battery inside that doesn't need to be changed. Each detector is good for 10 years and after 10 years you just need to replace the detector. Detectors should be tested at least once a month to ensure they are still operable.

For additional questions about the program or to schedule an installation, please contact the Township Fire Chief Clifton Laughman at 717-792-3505 or by email at claughman@wmtwp.com.

Honoring Decades of Service at West Manchester Township Fire Department

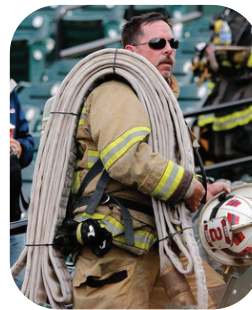

We're proud to highlight volunteer firefighters who are celebrating their milestone anniversaries. Their commitment proves that anyone can step up, serve and make a lasting impact.

Roy Gentzler, 47 Years of Service

Roy Gentzler started volunteering at 16 for the thrill of responding to emergencies and helping people. He's served as lieutenant, captain, assistant chief, treasurer and is now district chief. ***"Helping people matters, but the friendships I've made are what I treasure most,"*** he said. A career firefighter at Anne Arundel County Fire Department, Gentzler says volunteering shaped not only his character, but also his profession.

Bob Sells, 25 Years of Service

Since joining the Department, Bob Sells has served as a firefighter, district chief, board member and instructor. Following in his father's footsteps, he signed up to help neighbors through their toughest moments. ***"It's satisfying to know you helped someone in their time of need,"*** he says. Now 61, he still finds the most joy in training the next generation of firefighters.

Jim Schroyer, 65 Years of Service

As a teen, Jim Schroyer chased firetrucks on his bike just to watch the action unfold. Since joining at 18, he's held roles as a firefighter and recording secretary, saving lives, organizing fundraisers and building lifelong bonds. ***"It's such a big part of my life, and I'm so glad I'm still able to do this,"*** he says.

Make Your Workday a Life-Saving One

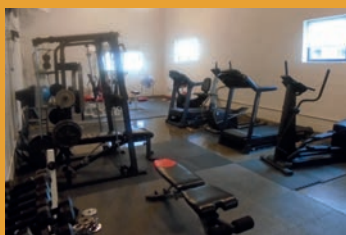

Join Our Day Crew Program!

Day crew volunteers enjoy full access to station amenities 24/7, including dedicated workspaces. In return, they respond to calls when available and stay involved through regular participation at weekly training, meetings, community events and fundraisers.

Amenities Included!

Fully-equipped Workstation | Fitness Center | Full Kitchen & Dining Area
Lounge Area | Laundry Facilities

**Joe Mann, Lieutenant
Maintenance Technician at
Starbucks York Roasting Plant**

The Day Crew program allows Joe to serve during the workday while managing his full-time job, offering the flexibility to stay active in the department without missing a beat.

"The Day Crew program gives volunteers the flexibility to contribute without sacrificing their careers or personal life," he says. "It's incredibly rewarding because you're able to help when it matters most, build strong bonds with your team and stay connected to your community all while balancing everything else in life."

**Nick Mann, District Chief
Plant Lead at
Starbucks York Roasting Plant**

Nick has embraced the Day Crew program, which allows him to answer calls during the day and stay involved in station activities like training and planning community events.

"The Day Crew program is a great way to serve, stay engaged and still manage your work schedule," he says. "It's a chance to give back while balancing a busy career and personal life."

Sewer/Trash Payment

DO NOT MAIL OR BRING PAYMENTS TO THE TOWNSHIP OFFICE

West Manchester Township offers the following methods for paying your sewer bill. One of the three options must be used. NO PAYMENTS ARE ACCEPTED AT THE TOWNSHIP OFFICE.

1. **Credit or Debit Card** - Please visit our website at www.wmtwp.com and click on the Civic Pay Payment Portal link, which is located in the left hand side of the main page to process your payment. You can set up Auto Pay through the Civic Pay Payment Portal. A phone payment can be made by calling 717-801-1219. You will need your account number.
2. **Automated Clearing House (ACH) or direct debit** - The Township can direct debit a checking or savings account for your quarterly sewer/ trash payments. To set this up, go to our website at www.wmtwp.com and go to forms, click on the Automatic Debit Form and complete it. Please return the form along with a **voided check** to the Township. This form must be returned **ONE** month prior to the quarterly billing cycle to ensure your account will be debited properly. You must notify us immediately if your account number or any changes occur with the account to be debited. Failure to notify us will result in late fees and a nonsufficient fund charge applied to your account.
3. **Mail** - mail your check with your account number along with your coupon to the our lock box at the following address:

West Manchester Township
PO BOX 62542, Baltimore, Md 21264-2542

Payments sent to our office will be returned and are subject to late fees. These payments will be returned to you and a returned postage fee of \$5.00 will be added to your account.

PLEASE NOTE: FAILURE TO RECEIVE A BILL DOES NOT VOID RESPONSIBILITY FOR ITS PAYMENT OR WAIVE THE PAST DUE PENALTY

A 10% penalty is imposed on current charges not paid by the due date.

West Manchester Township Offset continues for 2025

For the calendar year 2025, the rate will remain the same as projected. Starting in May of this year, our rate for treatment costs from Pa American Water will be determined by a 3-year cost of living adjustment. We are anticipating a 3.93% increase in costs for treatment. Rates will not increase above the projected amount in the chart for 2025. The effects of this increase will determine the projected rate for 2026.

The Township Finance Department continues to evaluate the billings from PA American as previously advised.

Item	3**	4**	5**
Year	2025	2026	2027
Rate	\$251	\$278	\$305
Annual Inc.	\$27	\$28	\$28
Twp offset/ Qtr.	\$6.75	\$7.02	\$7.02
Billed rate	\$244.25	\$270.98	\$297.98

** CPI Increase

The staff continues to monitor the situation and will keep the Board of Supervisors and our customers informed of any further changes to the rates.
