DATE: February 16, 2024

SUBJECT: January 2024 Monthly Report

The WMTFD is off to a busy start for 2024 with a 12% increase in call volume from the prior year. However, despite the increase in calls and the several weather events, the members continue to have an average turnout of 8 personnel per call, which is outstanding for a volunteer department.

I am extremely proud of the job that the members have done this past year and couldn't have asked for a better team.

Below is the January 2024 report for the February 2024 meeting of the West Manchester Township Board of Supervisors.
