

**PARKS & RECREATION REPORT
April 2021**

1. Spring/Summer Newsletter

The Spring/Summer Newsletter was distributed to our residents the first week in April. It contains information from April 1, through August 31.

2. PSATS 53rd Annual Citizen Communication Award

We once again received a 2nd place award in this category for our Newsletter for population over 10,000. I am proud of our 2nd place finish. However, the competitor in me really wants a 1st place finish. We will continue to strive for this award.

3. Food Truck Event

West Manchester Township Fire and Recreation Departments are teaming up for a Food Truck Madness Event at Sunset Lane Park on Saturday, April 24th, from 3 PM – 7 PM. Please watch for updates on our FB pages. Come on out, grab some great food, chat with your neighbors and friends and most importantly show your support.

4. Senior Bingo

Back by popular demand is our Senior Bingo program at the Shiloh Fire Company from 10:30 – Noon, on Tuesday, May 11.

5. May in Motion

This program is presented by the York Area Recreation Directors. It is a competition between Dover Twp/Borough, Eastern York Rec Authority, Manchester Twp, Red Lion Borough, Spring Grove Regional Rec and York Twp and most importantly West Manchester Township. Register at <https://bit.ly/3sWFh1m>. A welcome gift is available while supplies last to participants. Track your fitness minutes through the month of May and log them with the info in your weekly email. All activity counts! Exercise, sports practices, dancing, biking, hiking, etc. Weekly gift card prizes for highest number of minutes recorded. One Recreation Department will be named overall winner at the end of May and will receive a special trophy and most importantly bragging rights.

Consequently, if you are a runner or walker or know a runner or walker in the township or even someone that would like to represent West Manchester Township please encourage them to sign up and participate. They don't necessarily have to be a resident of West Manchester Township to participate. We really want to win... or just beat Dover!

6. Earth Day Celebration with Chuck's Auto Salvage

On Saturday, April 24, Chuck's Auto Salvage is making Mother Nature extremely happy by sponsoring an event to recycle Automotive Waste from 9AM -2 PM. The community is invited to bring their automotive related recyclables such as waste oil, antifreeze, automotive lead batteries and tires (limit of 4) to Chuck's Auto Salvage located at 1150 Greenwood Road, York, PA 17408. As an added benefit, Chuck is donating \$20 per battery to WM's Playground program for a summer playground pizza party!
