Police Chief's Report for November

November 10, 2022

Dear Board of Supervisors, Manager and staff,

For the month of October, the officers handled 377 incidents as well as 77 vehicle crashes. Officers conducted 327 traffic stops and issued 162 traffic citations. The department made 12 felony arrests, 29 misdemeanor arrests, 31 summary non-traffic arrest and 0 juvenile petition(s) were also filed.

We are currently interviewing several officer candidates to fill our open positions. The quality of the applicants has been very good thus far and we are in the process of vetting several viable candidates. I hope to have their background investigations and packets ready for your review in the next few weeks.

The case that I detailed last month in the October meeting involved a lot of excellent work by our detective unit and our officers. The North Gotwalt Street case was extremely violent and was very fast moving in so many ways. The suspect was not on scene and the information that we were provided said that he was in a stolen vehicle headed to Florida in order to commit another crime of violence. We needed to act fast in order to apprehend the suspect. Within several hours we had apprehended the suspect with the help of the Virginia State Police and their technological abilities to track moving vehicles. We eventually extruded the suspect and had a successful outcome to this matter with the suspect pleading guilty and sentenced to life in prison.

We will be doing our Secret Santa Program and our Shop with a Cop program again this year with the help with our community partners and the West York School District. I work with the districts personnel to select families for our two programs. We will be providing gifts and shopping to a great group of deserving kids this year.

CI Division Report for November 2022 Board Meeting

10/20/2022 through 11/04/2022

In the last two weeks, WMTPD Criminal Investigations has taken on 4 new case assignments: 1 PICS case, a residential burglary, a found firearm, and an investigation into the possession of child pornography.

During the same time frame, our office has formally closed out 7 investigations. The closed cases include: 2 PICS cases, a forgery case, a rape investigation (child victim), a physical abuse/harassment case involving a child victim, a child pornography possession investigation that had been reported and ongoing since October of last year, and a theft involving family members allegedly stealing from their elderly mother.

Additionally, our office has formally begun the process of conducting background investigations into two candidates for the position of Police Officer.

Also worth noting, after completing trial preparations, we secured an "open" guilty plea and a sentence of Life Without Parole to the charge of First Degree Murder in the March 2021 stabbing homicide on N Gotwalt St.

Respectfully Submitted,
