These roads are scheduled to be reconstructed using the cold in place recycling process. Our crew will work from 7:00 AM to 6:00 PM. During the course of construction we ask that all cars be removed from the street during the dates shown above and please park your vehicle on an adjacent street or in your driveway.

This is not the completed process, another 1 ½ to 2 inches of hot mix asphalt will be placed on the recycled base course within a few weeks.

Thank you for your anticipated cooperation.
