Snow Shoveling Guidelines

Place original snow from end of driveway on this side.

Clear this area of snow at end of driveway to form an opening for the snow from the road to go into.

Flushable Wipes Cause Expensive Repairs

Just because the label from the manufacture says the wipes are flushable doesn't mean they will break down like toilet paper does.

Check out the following television news article from Dallas Texas on flushable wipes.

<https://www.nbcdfw.com/news/business/Consumer-Reports-Are-Flushable-Wipes-Flushable-237585911.html>

Not only is this a problem in Texas, we are also dealing with the same problem here in West Manchester Township! The following photos were taken at our waste water facility, located in Dover. Work is taking place now to remove the built-up accumulation of material wrapped around the mixers. The Dover Treatment facility has spent over \$2 million so far and the disposal costs continue to increase as the new influent building equipment has been brought online to deal with items flushed down the drain/toilet. Attached are a few photos of items captured with the new equipment and a "disposable" wipe after 24 hours of stirring.

Photo – Anoxic Zone mixer with rag accumulation impacting the anti-vortex baffle. Note the smooth material where it rubs, deflecting the mixer shaft.

- For additional bags, \$2 stickers are available at any Rutters in the Township and Weis Markets on White Street. Stickers should be placed on all additional garbage bags.
- Recycling amount is unlimited and is collected once a week on your specified day.
- See Yard Waste Collection Calendar on page 10.
- Yard waste must not exceed 5 feet in length and must be bundled.

- No construction debris will be collected curbside.
- Please notify the Township (717) 792-3505 for any collection issues/questions.
- For collection updates, sign up for E-News Updates at www.pennwaste.com, or check the Township website or Facebook pages.

Bulk Item Guidelines

West Manchester Township residents may dispose of one (1) bulk item per week through curbside collection. Please have your bulk item available for collection at the curb by 6:00 am on your second collection day.

ACCEPTED MATERIALS – Appliances, furniture, mattresses, box springs, one (1) car tire without the rim, lawn mowers (oil and gasoline removed), plumbing fixtures such as toilets and sinks, three (3) 4 ft. rolls of carpet (tied).

NON-ACCEPTABLE MATERIALS – Electronic Waste (computers, televisions, etc.) chemicals, stains, liquids, batteries, automobile parts, hazardous waste, tires on rims, commercial/industrial waste, construction materials (drywall, brick, block, lumber, shingles, tiles, concrete). To properly dispose of these items please contact the York County Resource Recovery Center at 845-1066 or www.ycswa.com.

ADDITIONAL INSTRUCTIONS – Items which are too heavy to be lifted into a truck by two people will not be accepted. Additional trash bags are NOT considered a bulk item.

Yard Waste Collection Guidelines

An option for residents, is to take your yard waste to H & H General Excavating located at 660 Hanover Road, Spring Grove, 717-225-4669, at no cost. Please see their website for additional information www.h-hgenexc.com/mulch.html.

As another option for residents, you may choose to take your yard waste to the York County Resource Recovery Center, located at 2651 Black Bridge Road, 717-845-1066. Please see their website for additional information www.ycswa.com. There is a fee charged here.

Questions?

Contact West Manchester Township at 717.792.3505.

Otherwise see page 8 for the yard waste collection calendar.

Grass Clippings

Grass clippings are not permitted in your trash or yard waste pick up. The best option is to use a mulching mower and let your grass clippings work for you. Mulched grass provides moisture and nitrogen to keep your lawn looking great. If you don't have a mulching mower, low-cost conversion kits are available that fit most mowers. Another idea is to place grass clippings on your vegetable garden or around your hedges. You can also add grass clippings in a backyard compost bin. There are many varieties of bins in stores or you can make a bin of your own. As a last resort, take your grass to the Resource Recovery Center (minimum \$20 waste disposal fee). The Resource Recovery Center is located at 2652 Blackbridge Road, York, PA 17406. Additionally, please remember to remove any grass clippings that may have been blown into the road. This causes an extreme danger to people riding motorcycles and bicycles. Another issue with grass clippings is they clog up storm drains, causing drainage and flooding issues. The best way for homeowners to avoid costly lawsuits and increased homeowners insurance premiums is to discharge towards your home and away from the road.

How to Prepare Yard Waste

Prepare yard waste with any of these options:

- ❶ In a container, which can be emptied
- ❷ In a biodegradable paper bag
- ❸ Bundle it with biodegradable twine

If you choose to bundle your yard waste, please follow these instructions:

- Bundles are no longer than 5 ft. in length
- Bundles not to exceed 30 lbs. each
- Branches not to exceed 6 inches in diameter

An unlimited number of bags or bundles may be placed at the curb on the scheduled pick up day before 6:00 AM.

Please see page 8 for the Yard Waste Collection calendar.

- 1 **Trash Bags** - White trash bags blend in with the snow. Use darker bags or a trash can to ensure we see your trash.
- 2 **Access** - Please make sure there is a clear, safe path for our employees to access your trash and recycling.
- 3 **Children** - If you have children who are playing in the snow, please be mindful of them playing close to the streets as visibility may be impaired due to weather conditions.
- 4 **Slow Down Before You Go Around** - If you are behind a trash or recycling truck, please make sure you slow down & look for our employees before you go around.
- 5 **Wind** - Extreme wind conditions will knock your trash and recycling carts over. If your bins are not full, consider holding them until next week. The carts will fall over from the wind after they've been emptied.

TIPS ON PROPER MOBILE CART PLACEMENT

Please be advised that all mobile carts should be placed **BEHIND THE CURB** and not on the street. There should be nothing placed in the roadway that would impede or delay the removal of snow or ice from the road. The truck arm has the capability to reach past the curb in order to pick up your cans.

Here are some tips to ensure a smooth collection process:

- Set mobile cart out by your start time.
- Place mobile cart with the lid opening towards the road.
- Do not place cart in the roadway.
- DO NOT block walkways with carts.
- Place carts at least **THREE FEET APART** from each other and mailboxes, fire hydrants, low hanging trees or shrubs, parked cars, or utility poles - so trucks can easily access the cart.

5 Easy Steps To Winterize Your Rain Barrel

It only takes 15 minutes, but it could save you a lot of money and headache in the long run to winterize your rain barrel before Pennsylvania's cold winter sets in. These five easy steps will ensure your rain barrel will last for years to come, helping reduce stormwater runoff to your local waters!

- 1) Drain all the water out of the barrel before the first hard freeze
- 2) Detach the barrel from the downspout and reconnect the downspout to send stormwater away from your home. Consider cleaning out your gutters at this time to remove leaves and debris
- 3) Remove hoses and spigots from the rain barrel as desired, remove and clean mesh components
- 4) Rinse the rain barrel to remove any debris built up over the year
- 5) Store the barrel. Bring it inside or keep it out of sunlight and turn it upside-down to prevent water from entering.

Do not lose your beloved rain barrel to winter's harsh conditions! Winterize it now before the cold sets in.

Hiring a Contractor?

Once you hire a contractor, but at least three weeks before work is scheduled to begin, the homeowner or the contractor must apply for a permit. Building permits can take up to 15 business days because they are reviewed by a third party agency. If the contractor applies for the permit, the homeowner must ask the contractor for the permit so it may be posted in the window of the residence. If the contractor does not get a permit, the homeowner is still legally responsible.

If you have a question as to whether a permit is needed for the work to be done or if you have a problem with the actual permit, please call the **Zoning Officer, Rachelle Sampere, at 717.792.3505. Be sure of the permit and its cost before you pay a contractor for it!**

Nothing But Rain In The Drain!

If you notice any dumping, spills or anything other than rain or rainwater flowing into storm inlets; or to drains or streams, or observe pollution events or pollutants entering a stream or fishkills, please call the hotline.

What Type of Building Permit Do You Need? (Residential)

West Manchester Township requires permits for many types of construction and building work in residential structures. Some jobs will require only a "Zoning Permit" and other jobs will require a "Building Permit". These are separate permits with their own application forms. Zoning permits fall under Township rules. Building permits are for jobs that fall under the State Building Code and require inspection. Keep in mind permits take time to review and process. Please allow up to seven business days for Zoning permits and three weeks for Building permits.

Examples of work

REQUIRING A ZONING PERMIT:

- Construction and/or installation of a fence.
- Construction and/or installation of a shed, unattached carport, or unattached garage, under 1,000 square feet
- Construction and/or installation of a patio, including paver patio or porch with no roof or walls.
- Construction and/or installation of a walkway on the property other than the sidewalk along the street. (This requires a different permit.)
- Construction and/or installation of a deck where the deck is not more than 30" high.
- Widening, replacing or adding newly paved areas to an existing driveway.

Examples of work

REQUIRING A BUILDING PERMIT:

- Building an addition onto your house, including attached garages and carports.
- Above ground and in ground swimming pools, even "wall-less" and portable pools! Any pool that is deeper than 18" needs a permit. If your pool is taken down every year, you need a permit to put it back up every year.
- Adding a roof to a patio, porch, or deck where the roof is attached to the house.
- Construction and/or installation of a deck where the deck is more than 30" from the ground.
- Installation of doors and windows if the new doors and windows are of a different size.
- Upgrading an electrical service.
- The addition or relocation of electrical wiring.
- Plumbing work where the "trap" seal is broken

Examples of work

NOT REQUIRING ANY PERMIT:

- Repair to existing structures such as floorboards in a deck.
- Putting new shingles on your roof.
- Replacing or installing siding on a house.
- Replacing windows and doors with new ones of the same size.
- Replacing a garage door (however, replacing a manual door with an electric door will require an electrical permit).
- Wallpaper, carpet, tile, paint, and interior cabinetry such as kitchen cabinets.

PLEASE CONTACT THE ZONING OFFICER AT 792-3505 IF YOU ARE UNSURE WHAT KIND OF PERMIT YOU NEED!

Snow And Ice On Sidewalks

Do not shovel or blow snow into public streets. It is against the law, defeats the purpose of snow plowing, and causes unsafe conditions for all drivers. All shoveled or blown snow should be piled in your yard or property.

To remove snow properly, snowplows may make several trips up your street. We recommend you do not shovel the end of your driveway open until the street is completely open and the truck has moved on.

Any person owning property along a street or highway in West Manchester Township is required to remove the snow and ice from the sidewalks at least 24 inches wide for the entire length of their property. The path must be cleared within eight hours after the snow/ice has stopped. If the snow/ice stops after 10 PM, sidewalks must be cleared by 10 AM the next morning.

Snow and ice may NEVER be thrown, pushed, cast, blown, shoveled, plowed or dumped into the street.

* The above violations may result in a fine up to \$600.*

APPRISE Can Help!

APPRISE is the State Health Insurance Assistance Program which provides counseling for people with Medicare in Pennsylvania. It was created by the Pennsylvania Department of Aging to help Pennsylvanians understand Medicare and their other health insurance benefits. **Locally, this program is offered by the York County Area Agency on Aging.**

APPRISE counselors are specially-trained volunteers who have direct access to state and federal Medicare resources. They are able to answer questions about Medicare, Medicaid, Medigap, Medicare Advantage plans and the prescription drug program. They can help you to:

- ▲ Understand your Medicare benefits by explaining which services are covered under Part A and B and your Medicare Summary Notice.
- ▲ Make informed choices about Medicare coverage options, including Medicare appeals process and assist with appeals paperwork.
- ▲ Select a Medigap insurance policy.

APPRISE counselors also:

- ▲ Explain financial assistance programs that may be available to assist in paying for your Medicare premiums, deductibles and coinsurance, as well as your prescription drug needs.
- ▲ Explain the Medicare prescription drug benefit.
- ▲ Make presentations on Medicare to your organization.

To ensure the safety of our clients and counselors, the York APPRISE Program is currently conducting appointments over the phone or computer.

To schedule an appointment for one-on-one counseling call the APPRISE Help Desk at 717-771-9008 or 1-800-632-9073.

Rent A Kid Program

This program provides an opportunity for middle and high school students, in grades 7 through 12, to assist older adults in completing routine light-duty household chores, yard work, mowing lawns and shoveling snow. The goal of the **Rent-A-Kid** program is not only to get an important job done, but also to foster friendships between older adults and youth. Adults, age 60 and older, in need of assistance with chores, can call the **Rent-A-Kid** coordinator who will provide names and phone numbers for youth in their area. It is the responsibility of the older adult to contact the youth and discuss the job to be done, when it is to be done, the rate of pay for the job, and any other arrangements that need to be made.

Recommended pay rate is \$5 per hour. However, depending on the type of work and the ability of the older adult to pay, the youth may negotiate a more satisfactory rate of pay. Youth interested in the **Rent-A-Kid** program should contact their school guidance counselor or call the Coordinator at YCAAA for an application at 771-9103.

JOIN OUR TEAM...

West Manchester Township Fire Department puts the highest priority on providing timely and adequately staffed emergency response to the community that we are privileged to serve.

Operational Fire Membership

Operational Fire Members aged 18 and over participate in fire and rescue activities of the department including fire suppression personnel, rescue personnel, fire police, emergency medical technicians and apparatus drivers.

No experience is necessary, and we offer free training. As our volunteers are “on-call” 24/7, we offer two different ways to respond when an emergency call comes in:

- Most of our volunteers respond when they're available to one of our two stations from home or other locations. This is a great way to fit volunteering into your busy lifestyle and schedule.
- Live-in firefighters respond directly from the firehouse and receive free room and board in return for running calls for service.. This is a great opportunity for college students and those looking to gain great experience in a firehouse environment.

Social Membership

Social Membership is for adults who are unable to, or do not wish to, participate in fire and rescue activities of the department. They may hold administrative positions, assist with fundraising, and participate in assisting operational members. These members include administrative and fundraising personnel, canteen members, and members who have retired from operational member status.

Junior Firefighter Program

The Junior Firefighter program is our youth program for young adults age 14-17 that offers an excellent opportunity to learn teamwork skills and mature into responsible and contributing community-focused adults.

Junior Fire members must have completed the eighth grade in school, be at least fourteen (14) years of age, and must also provide a School Work Permit and parental permission to participate.

Tax Information

Bill Niehenke, Tax Collector | 717-793-9651 | westmanchestertax@outlook.com

Hello, I am Bill Niehenke and I was recently elected as the tax collector of West Manchester Township. I have been a long-term township resident and look forward to serving the community in my new role. I am grateful for the support that I received on election day and would like to take this opportunity to say thank you for electing me to this position. If you have any questions, please don't hesitate to contact me. Thank you!

The West Manchester Township Tax Collector is in the Municipal Complex at 380 East Berlin Road. The office is open to the public on the following weekdays:

NEW 2022 OFFICE HOURS:

Tuesdays 9:30 AM-1:30 PM · Wednesdays 9:30 AM-1:30 PM · Thursdays 9:30 AM-1:30 PM

***NOTE*: Additional hours during the DISCOUNT period for the County/Municipal Real Estate tax and the School tax will be listed on the insert that you receive with your tax bill.**

Other times are available by appointment, please call 793-9651. If the Tax Office is closed and you wish to make a payment, there is a secure after hours mailbox located on the building beside the Tax Collector's entrance door. Credit will be given for payment on that date. If you place your payment in the after hours mailbox or mail your payment, and would like a copy of your paid receipt, please enclose a self-addressed stamped envelope with your bill.

Additionally, please include your **PHONE NUMBER** on your **BILL or CHECK**.

BILL PAY. Bill Pay from your bank account is discouraged, as many times these checks are not received in a timely manner resulting missing a deadline. If you choose to use bill pay allow adequate time for processing. Make sure the check is identifiable to your property. Since the bill will not accompany the check, a bill number or parcel number should be listed on the check. If the check cannot be identifiable to your property, proper credit cannot be given to your account.

POSTAL SERVICE MAIL DELIVERY DELAYS.

The timeliness of mail delivery service state wide has significantly changed. If you are mailing a payment close to the payment deadline be sure to allow extra time for your payment to be processed by the post office. Mail is not always postmarked the day it is mailed. Even though you place your payment in the mail on a specific date, it is not guaranteed it will be post marked on the day you mail it. Allowing enough time for the postal service to process the mail will eliminate your payment being received after the payment deadline. The tax office accepts POST MARK not date on check.

POST DATED CHECKS NOT ACCEPTED. The tax office does not accept post-dated checks or hold payments. There is a high volume of incoming mail received on a daily basis, which leaves a margin for error of your post-dated payment being processed. This could result in payment being returned from the bank for insufficient funds, at which time fees occur.

Payments received with a post-dated check will be returned.

Change of Address

If you have moved or will be moving, please notify the tax office so the records can be updated to ensure the tax bills are sent to the correct address/owner in a timely manner. This can be done by mailing the form below to the tax office at 380 East Berlin Road, York PA 17408, email or by calling the tax office. Message can be left on voicemail if the office is closed.

Retirement Notice

Dear West Manchester Residents,

As many of you already may know, effective in January, I will no longer be your tax collector. I have decided to move on to the next chapter of my life, retirement. In my time served, I have met so many nice people, and have made many new friendships that I otherwise would not have had. For that, I am forever grateful. It was a pleasure to have served as your tax collector. Thank you for your support in allowing me the opportunity to serve our community.

Sincerely,
Cheryl
