Trash & Recycle Guidelines

ALL MOBILE CARTS AND BULK ITEMS MUST BE CURBSIDE BEFORE 6 AM ON YOUR COLLECTION DAY.
ITEMS MAY BE PUT OUT THE NIGHT BEFORE AFTER 5 PM.

TRASH:

- All residents and businesses utilizing Township refuse collection must use the Penn Waste provided mobile carts. Carts cannot exceed 64-gallons.
- ONE trash mobile cart will be emptied twice a week on your collection days. Additional 32-gallon size bags will be accepted if you purchase and place a \$3.00 orange sticker on your extra bag. Stickers can be purchased at the Township office and any Rutter's in the Township.
- Tires are no longer considered a large item. Tires require a \$3 orange sticker on each, and they can be placed out with regular trash.
- No Construction debris will be collected curbside.

RECYCLE:

- All residents and businesses utilizing Township collection must use the Penn Waste provided mobile cart for recycling. Extra carts may be requested for recycling ONLY.
- Recycling collection is once a week on your designated day. You may place multiple mobile carts out for recycling. **ALL ITEMS MUST BE IN A MOBILE CART OR THEY WILL NOT BE COLLECTED.**
- Plastic bags are no longer accepted as the facility cannot process them.

GENERAL INFORMATION:

For any issues/questions regarding your collection, or to order mobile carts, please contact the Township office at 717-792-3505. If your trash/recycle is not collected by 4 pm on your pick-up day, please notify the Township immediately.

**Take them to a household hazardous waste
event or visit: www.call2recycle.org
to find a drop-off location closest to you.**

Leaf Vacuum Collection

Collection begins Monday, October 19th and continues until Wednesday, December 9th.

Please do not put your leaf piles curbside until the weekend before collection starts. Leaves put out in advance can be blown or washed into catch basins causing flooding onto roadways.

The Do's and Dont's

DO put leaves in organized piles.

DO put leaf piles as close to the curb as possible. Piles too far away from the hose length will not be collected

DO NOT put leaf piles near intersections, around obstructions such as mailboxes or telephone poles, or any parked cars.

DO NOT put branches, sticks, decorative grass, grass clippings, or corn stalks in leaf piles.

DO NOT put leaf piles on top of decorative stone, blocks, bricks, or stones.

DO NOT put leaf piles on or near storm catch basins.

Any leaf piles put out AFTER December 9th will not be collected and will be the responsibility of the owner to dispose of appropriately.

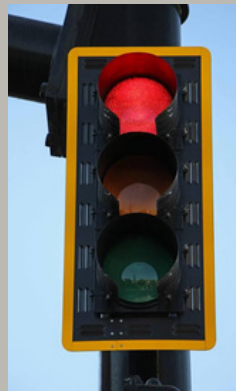

Important Information for our Residents

Fallen Trees - What is the Protocol?

If a tree or its limbs have fallen in the roadway and is impeding traffic, please call 911.

The Township is responsible for clearing trees and debris from public roadways and Right of Ways. Any tree or debris on private land is the responsibility of the home or land owner.

Streetlights - should be reported to Met-Ed 1-800-545-7738. Provide the street address and 10-digit pole number found on the pole. If there is no pole number, call the Township at 717-792-3505

Traffic Signals - should be reported to the Township at 717-792-3505, or call 911 if after hours or on the weekend.

Potholes or Street Repairs On Township Road-

Report to Public Works at 717-792-3505.

On State Road - Report to PennDOT at 717-848-6230 or submit online at: customerare.penndot.gov

Looking to do a project?

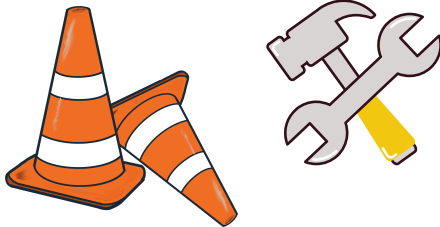

Call the Zoning Department to get started and obtain a permit!

Zoning permits fall under Township rules and Ordinances. Building permits are for jobs that fall under the Pennsylvania Uniform Construction Code and require inspection. Keep in mind permits take time to review and process. Please allow up to 15 business days for residential permits.

examples requiring a **ZONING PERMIT**

Construction and/or installation of a:

- fence
- shed, unattached carport, unattached garage (under 1,000 sq ft)
- patio, including paver patio or porch with no roof or walls
- walkway on the property other than the sidewalk along the street (that requires a different permit)
- deck under 30" high
- widening, replacing, repaving or adding newly paved areas to an existing driveway

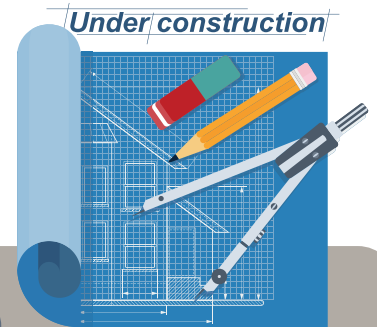

examples requiring a **BUILDING PERMIT**

- building an addition onto your house including attached garages and carports
- above, in ground, "wall-less", and portable swimming pools; any pool that can hold 18" needs a permit. If your pool is taken down every year, you need a permit to put it back up
- adding a roof to a patio, porch, or deck where the roof is attached to the house
- construction and/or installation of a deck over 30" high
- installation of doors and windows if they are different sizes
- upgrading an electrical service
- addition or relocation of electrical wiring
- plumbing work where "trap" seal is broken

examples NOT requiring **ANY PERMIT**

- repair to existing structures such as floorboards in a deck
- putting new shingles on your roof
- replacing/installing siding on house
- wallpaper, carpet, tile, paint, and interior cabinetry such as kitchen cabinets
- replacing windows and doors with same size
- replacing garage door (however: replacing a manual door with an electrical door will require an electrical permit)

HIRING A CONTRACTOR?

Once you hire a contractor, but at least 3 weeks before work is scheduled to begin, the homeowner or the contractor must apply for a permit.

Building permits can take up to 15 business days because they are reviewed by a third party agency. If the contractor applies for the permit, the homeowner must ask the contractor for the permit so it may be posted in the window of the residence. If the contractor does not get a permit, the homeowner is still legally responsible.

Why MS4's matter?

Stormwater can carry pollutants like:

- Oil and grease from roads
- Fertilizers and pesticides from lawns
- Trash and debris
- Pet waste

Autumn Lawn & Garden Care

Drain Pools Correctly:
Dechlorinate your swimming pool water completely before draining it, and discharge it over a grassy area rather than directly into the street.

Pick Up Pet Waste:

Clean up dog waste immediately, as heavy fall rains flush bacteria directly into the stormwater system.

Preventing stormwater pollution this fall is Un-Be-Leaf-Ably easy!

Keep Fallen Leaves Out of the Street:

Leaf litter leaches nutrients into stormwater runoff contributing to water pollution.

Clear Storm Drains of Debris:

Leaf litter and yard debris can plug storm drains, causing flooding.

Consider Composting or Mulching Leaves:

Reduce added chemicals in your yard by creating natural fertilizer with composted leaves.

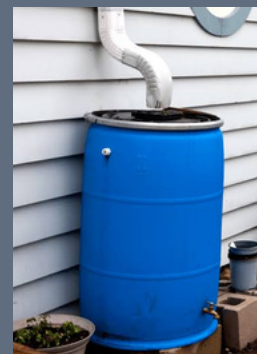

FALL STORMWATER SEMINAR

October 14th, 2026 @ 6 pm
Manchester Township Municipal Building
3200 Farmtrail Rd., York, PA 17406

Winterizing Your Rain Barrel

Drain Completely:

Tip the barrel over to remove every drop of water, including the bottom drain and spigot.

Disconnect the Diverter: Remove the connection to the gutter system. Seal any holes left in the downspout with a cap.

Clean It Out: Before storing, use a soft cloth and hose to rinse away sediment and organic debris.

REPORT ILLICIT DISCHARGE or CLOGGED STORM DRAIN:

717-792-3505

Ask to speak to the MS4 Coordinator

If you notice any dumping, spills or anything other than rain or rainwater flowing into storm inlets; or to drains or streams, or observe pollution events or pollutants entering a stream or fish kills, please call the MS4 Coordinator.

AWARDS

Congratulations to the following officers who have been certified through the Pennsylvania Fire Service Professional Credentialing Program:

Chief Fire Officer: **Daniel Santoemma**

Captain of West Manchester Township & York County Haz-Mat Chief

INTRODUCING OUR NEW FIRE TRUCK!

In June the WMTFD took delivery of a new 2026 Pierce Enforcer Heavy Rescue. This replaced our 2007 KME Predator Heavy Rescue. This new Rescue comes with all LED lighting, Compressed Air Foam System for vehicle and small fires, on board air system to operate rescue tools, along with a compliment of other rescue equipment. The members of the WMTFD thank the Township Board of Supervisors, Manager Kelly Kelch, and the West Manchester Township Relief Association for their generous support of emergency services in the Township.

Welcome

TO THE NEW PART-TIME FIREFIGHTERS

The West Manchester Township Fire Department would like to welcome its new Part-Time Firefighters. At the end of 2025 the Township Board of Supervisors approved to transition the WMTFD into a combination fire department and allowed the hiring of 15 part-time firefighters to staff our fire stations weekdays 7am – 5pm. In April we started to actively recruit and hire to fill those positions. This past July we held our part-time firefighters officially started after attending a comprehensive orientation program.

Officer Spotlight!

Officer
Erik Potter

Officer Erik Potter joined the West Manchester Township Police Department on July 5, 2023, bringing with him a unique background in education and a passion for serving others.

Prior to beginning his law enforcement career, Officer Potter spent eight years as a Health and Physical Education teacher at Red Land High School. During his time in education, he enjoyed mentoring students, promoting healthy lifestyles, and helping young people develop the skills necessary to succeed both inside and outside the classroom.

Officer Potter is a 2013 graduate of Indiana University of Pennsylvania, where he earned a Bachelor's Degree in Education. While he found fulfillment in teaching, he was drawn to a career in law enforcement because of the profession's dynamic nature and the opportunity to make a direct impact through public service. The fast-paced environment, the variety of challenges presented each day, and the opportunity to help people during some of their most difficult moments inspired him to pursue a new path in his career. Since joining the department, Officer Potter has embraced the challenges and responsibilities of policing and has enjoyed the unpredictability that comes with each shift. Whether responding to calls for service, conducting investigations, or engaging with members of the community, he values the opportunity to learn, grow, and make a positive difference every day. Officer Potter's transition from the classroom to law enforcement reflects his continued commitment to serving others. The skills he developed as an educator—including communication, patience, leadership, and problem-solving—continue to serve him well in his role as a police officer.

When he is away from work, Officer Potter enjoys spending quality time with his wife and two children, taking advantage of opportunities to be outdoors, and cheering on his favorite team, the Philadelphia Eagles. Whether he's enjoying family activities, working outside, or watching football on the weekend, he values the balance that time with family and personal interests brings to his life.

PAUL MILLER'S LAW

Pennsylvania's Hands-Free Driving Law

EFFECTIVE JUNE 5, 2025

IF YOU'RE DRIVING, DON'T HOLD YOUR PHONE.

WHAT IS PROHIBITED?

- ❌ Holding a cell phone.
- ❌ Supporting a phone with your hand, shoulder, lap, or body.
- ❌ Dialing or answering while holding the device.
- ❌ Reaching for a device in a way that requires leaving your normal seated, seat-belted position.
- ❌ Using a phone while stopped at:
 - Red lights
 - Stop signs
 - Traffic congestion
