2026 Trash Rate

RATE \$96.00

Our contract with Penn Waste, which was effective January 1, 2025, locks in the \$96.00 per unit for 5 years. There will be no increase for the trash billing rate for 2026.

2026 Sewer Rate

RATE \$244.25

The 2026 rate will remain the same as 2025 with no increase. This rate goes into effect 1/1/26 and ends 12/31/26.

Payment Options

**PLEASE NOTE:
PAYMENTS ARE NOT ACCEPTED
AT THE TOWNSHIP OFFICE.**

1. ONLINE OR BY PHONE USING CIVIC PAY

Click on the Civic Pay Payment Portal link on the website and pay by credit/debit. You can set up Auto Pay through the Civic Pay Payment Portal. A phone payment can be made by calling 717-801-1219. You will need your account number.

2. AUTOMATED CLEARING HOUSE (ACH) OR DIRECT DEBIT

The Township can direct debit a checking or savings account for your quarterly sewer/ trash payments. The Automatic Debit Form is available under "forms" on the website. Complete and return the form along with a voided check to the Township building. This form must be returned ONE month prior to the quarterly billing cycle to ensure your account will be debited properly. You must notify us immediately if your account number or any changes occur with the account to be debited. Failure to notify us will result in late fees and a nonsufficient fund charge applied to your account.

3. BY MAIL

Mail your check with your account number along with your coupon to the our lock box at the following address:

West Manchester Township
PO BOX 62542
Baltimore, MD 21264-2542

**Payments sent to our office will be returned and are subject to late fees. These payments will be returned to you and a returned postage fee of \$5.00 will be added to your account.*

Christmas Tree Pick-Up

January 10th, 2026

January 24th, 2026

Township residents can place their undecorated tree by the curb the night before collection. All trees must be free of plastic bags and ornaments. Please lay trees flat on the ground.

Trash & Recycle Guidelines

ALL MOBILE CARTS AND BULK ITEMS MUST BE CURBSIDE BEFORE 6 AM ON YOUR COLLECTION DAY. ITEMS MAY BE PUT OUT THE NIGHT BEFORE AFTER 5 PM.

TRASH:

- All residents and businesses utilizing Township refuse collection must use the Penn Waste provided mobile carts. Carts cannot exceed 64-gallons.
- ONE trash mobile cart will be emptied twice a week on your collection days. Additional 32-gallon size bags will be accepted if you purchase and place a \$2.00 orange sticker on your extra bag. Stickers can be purchased at the Township office and any Rutter's in the Township.
- No Construction debris will be collected curbside.

RECYCLE:

- All residents and businesses utilizing Township collection must use the Penn Waste provided mobile cart for recycling. Extra carts may be requested for recycling **ONLY**.
- Recycling collection is once a week on your designated day. You may place multiple mobile carts out for recycling. **ALL ITEMS MUST BE IN A MOBILE CART OR THEY WILL NOT BE COLLECTED.**
- Plastic bags are no longer accepted as the facility cannot process them.

GENERAL INFORMATION:

For any issues/questions regarding your collection, or to order mobile carts, please contact the Township office at 717-792-3505. If your trash/recycle is not collected by 4 pm on your pick-up day, please notify the Township immediately.

BULK ITEM

Recycling Electronics

By Law, Some Electronics MUST Be Recycled. Some electronics cannot be disposed of in the trash due to the toxic metals they contain. The Covered Device Recycling Act makes computer recycling and TV recycling mandatory in Pennsylvania, including:

Computers, Computer Monitors, Computer Peripherals (Keyboard, Mouse, Printer, etc.), Televisions

The York County Solid Waste Authority's Residential Electronics Recycling Program

Hours: Mon-Friday 8:00AM - 4:00PM & Sat 8:00AM - 12:00PM

York County Resource Recovery Center

2651 Blackbridge Road

York, PA 17406

Additional Info: <http://www.ycswa.com/recycling/recycle-electronics/> or call 717-845-1066.

By law, as of January 24, 2013, Penn Waste is not allowed to collect your electronic waste.

The Covered Devices Recycling Act prohibits residents and businesses from placing their electronic waste at the curb or in their trash. Covered devices include: desktop computers, laptops, monitors, computer peripherals (keyboard, mouse, printer, and speakers), televisions, or e-readers that browse the internet.

WINTER SNOW SHOVELING

Place original snow from end of driveway on this side.

Clear this area of snow at end of driveway to form an opening for the snow from the road to go into.

Clear this area of snow at end of driveway to form an opening for the snow from the road to go into.

Place original snow from end of driveway on this side.

SNOW & ICE ON SIDEWALKS

Residents are required to remove the snow and ice from the sidewalks at least 24 inches wide for the entire length of their property. **The path must be cleared within 8 hours after the snow/ice has stopped.** If the snow/ice stops after 10 PM, sidewalks must be cleared by 10 AM the next morning. Snow and ice may NEVER be thrown, pushed, cast, blown, shoveled, plowed or dumped into the street.

** The above violations may result in a fine up to \$600.*

SHOVELING PROTOCOL

Do not shovel/blow snow into public streets - it is against the law, defeats the purpose of snow plowing, and causes unsafe conditions for all drivers. All shoveled/blown snow should be piled in your yard. To remove snow properly, snowplows may make several trips.

We recommend you do not shovel the end of your driveway open until the street is completely open and the truck has moved on.

Looking to do a project?

Call the Zoning Department to get started and obtain a permit!

Zoning permits fall under Township rules and Ordinances. Building permits are for jobs that fall under the Pennsylvania Uniform Construction Code and require inspection. Keep in mind permits take time to review and process. Please allow up to 15 business days for residential permits.

examples requiring a ZONING PERMIT

Construction and/or installation of a:

- fence
- shed, unattached carport, unattached garage (under 1,000 sq ft)
- patio, including paver patio or porch with no roof or walls
- walkway on the property other than the sidewalk along the street (that requires a different permit)
- deck under 30" high
- widening, replacing, repaving or adding newly paved areas to an existing driveway

examples requiring a BUILDING PERMIT

- building an addition onto your house including attached garages and carports
- above, in ground, "wall-less", and portable swimming pools; any pool that can hold 18" needs a permit. If your pool is taken down every year, you need a permit to put it back up
- adding a roof to a patio, porch, or deck where the roof is attached to the house
- construction and/or installation of a deck over 30" high
- installation of doors and windows if they are different sizes
- upgrading an electrical service
- addition or relocation of electrical wiring
- plumbing work where "trap" seal is broken

examples NOT requiring ANY PERMIT

- repair to existing structures such as floorboards in a deck
- putting new shingles on your roof
- replacing/installing siding on house
- wallpaper, carpet, tile, paint, and interior cabinetry such as kitchen cabinets
- replacing windows and doors with same size
- replacing garage door (however: replacing a manual door with an electrical door will require an electrical permit)

HIRING A CONTRACTOR?

Once you hire a contractor, but at least **3 weeks** before work is scheduled to begin, the homeowner or the contractor must apply for a permit. Building permits can take up to 15 business days because they are reviewed by a third party agency. If the contractor applies for the permit, the homeowner must ask the contractor for the permit so it may be posted in the window of the residence. If the contractor does not get a permit, the homeowner is still legally responsible.

All new impervious (concrete, blacktop, structures or any non-vegetative area) added is subject to a \$1/square foot stormwater fee.

What is MS4?

An MS4 (Municipal Separate Storm Sewer System) is a network of structures—like storm drains, pipes, ditches, and outfalls—that collects and conveys stormwater runoff from streets, parking lots, and other impervious surfaces. Unlike combined sewer systems, MS4s are separate from sanitary sewers, meaning the stormwater they collect is not treated before being discharged into local water bodies like rivers, lakes, or streams.

Why MS4's matter?

Stormwater can carry pollutants like:

- Oil and grease from roads
- Fertilizers and pesticides from lawns
- Trash and debris
- Pet waste

SALT SMART!

- salt only works to about 15°F — after that, it's wasting product and adding chlorides
- shovel first → use less salt
- sweep up excess salt once ice is gone (don't leave it to dissolve and run off)

Why choose eco-friendly ice melt?

Traditional ice melts often contain sodium chloride or calcium chloride, which can:

- Pollute water supplies through runoff
- Harm aquatic life and vegetation
- Damage concrete and indoor flooring
- Irritate pet paws

REPORT ILLICIT DISCHARGE or CLOGGED STORM DRAIN:

717-792-3505

Ask to speak to the MS4 Coordinator

If you notice any dumping, spills or anything other than rain or rainwater flowing into storm inlets; or to drains or streams, or observe pollution events or pollutants entering a stream or fish kills, please call the MS4 Coordinator.

Officer Spotlight!

Laron Woody

Patrolman/School Resource Officer

**Crimewatch
WMT Police**

Officer Laron Woody is a dedicated public servant who combines his passion for leadership, service, and community engagement through his dual roles in law enforcement and the military.

A 2017 graduate of Middletown Area High School, Officer Woody attended Shippensburg University on a football scholarship, where he studied Criminal Justice. While completing his degree, he enlisted in the military as an infantryman and later joined the Reserve Officers' Training Corps (ROTC) to pursue a commission as an officer. In 2022, he graduated from Shippensburg University with a bachelor's degree in criminal justice and was commissioned as a Second Lieutenant in the United States Army National Guard. He currently serves as an Infantry Officer with the rank of First Lieutenant and leads soldiers as a Platoon Leader.

Officer Woody has been a member of the West Manchester Township Police Department for nearly three years. He currently serves as the School Resource Officer for West York Area High School, Lincolnway Elementary School, and Wallace Elementary School, where he is deeply committed to fostering positive relationships between students, staff, and law enforcement.

Beyond his official duties, Officer Woody volunteers as a varsity football coach at West York Area High School, a role he has proudly held for the past three years. Through both coaching and community involvement, he strives to mentor young people and strengthen connections between police and the community.

Drawing from leadership and tactical training in both military and policing environments, Officer Woody is passionate about service, mentorship, and bridging the gap between law enforcement and the next generation.

VOLUNTEER OPPORTUNITIES

Are you passionate about improving your community? Would you like to serve on one of the various Boards and Committees?

Any West Manchester Township resident (18+) interested in serving is invited to complete the "Serving Your Community Application" located on our website under the "Boards & Committees" tab. We will keep your application on file and reach out to you when a position you are interested in becomes available. Email your questions or application to: info@wmtwp.com or you can drop off application to the Township office.
